# **PUBLIC MEETING**

---

## **Stanmore's Student Accommodation**

**its impact on Stanmore and how matters could be improved**

The area of Stanmore plays host to a large and expanding number of properties which have been converted from family residences into houses of multiple occupancy. These houses are home to nurses, students and other individuals and bring with them issues which affect the whole community. Car parking for instance, to pick a topic entirely at random . . . .

**Thursday  
19th  
November**

**Winchester  
Family Church  
Stanmore Lane**

This meeting is being held to give residents and landlords, students and families the opportunity to discuss their concerns and develop an understanding of each other's point of view and share experiences of living in Stanmore.

A series of short presentations will also be given outlining the University's accommodation strategy, the roles of Police, housing and environmental health and the initiatives being adopted to help address and reduce anti-social behaviour
